MEMORANDUM FOR: Security Officer, DPS/DCI

THROUGH : Director of Administration, DPS/DCI

SUBJECT : Use of TALENT Bases or Materials for
Geodetic Control Purposes

REFERENCE : Memorandum for Project Director from
Chief, HTA, dated 25 April 1958 (TCS-3083-58)

Herewith is a memorandum from Mr. Lundahl which is self-explanatory. Obviously we wish to facilitate the maximum exploitation of CHALICE photography and if this requires the granting of a few additional TALENT clearances I see no objection in so doing. Would you, however, satisfy yourself as to what is involved in this proposal and let me have your views. If you are in favor of concurring with the request, would you advise Mr. Lundahl that he may proceed and let me know merely for information.

SIGNED

RICHARD M. BISSELL, JR.
Special Assistant to the Director
for Planning and Development
